Subject: Information Letter No. 17-11 — New Billing Codes for Preadmission Screening and Resident Review (PASRR) DME and Therapy Assessments

The purpose of this letter is to notify NFs of the new billing codes for durable medical equipment (DME) and therapy assessments reimbursed through the PASRR program. All PASRR specialized services approved by the Texas Health and Human Services Commission (HHSC) on or after June 1, 2017, must be billed using the billing codes below.

NFs should [refer to the Long-term Care Bill Code Crosswalk for a complete detailed list of codes](#). To ensure the Texas Medicaid & Healthcare Partnership (TMHP) does not deny a claim for services due to a lack of authorization, NFs should continue to review the resident's Medicaid Eligibility and Service Authorization Verification (MESAV) to verify a service authorization has been created before billing.

PASRR DME and Therapy Assessments Billing Codes effective June 1, 2017.
