Infection Control:
April 8, 2014 – 8:30am – 4:30pm

The purpose of this continuing education activity is to enhance the registered nurse, licensed vocational nurse, social worker, other provider staff professional’s knowledge of state and federal rules and requirements for infection control processes, early identification and reduction of risk, and prevention of infectious disease. The professional will be empowered to facilitate change(s) within their area of practice and to identify if the facility implemented adequate care measures to prevent negative outcomes for residents residing in long-term care facilities.

Registered Nurses earn 5.00 contact hours upon successful completion of this activity.

5.70 contact hours for LP/VNs,
5.00 clock hours for nursing facility administrators, and
5.00 clock hours for social workers.

Regulatory Requirements for Drug Therapy in the Nursing Facility:
April 9, 2014 – 8:30am – 4:30pm

The course is designed to provide registered nurses, licensed vocational nurses, social workers, providers and surveyors with regulatory requirements concerning drug therapy in the nursing facility. Learners will gain knowledge of the federal and state regulatory requirements concerning self-medication, medication errors, unnecessary medications, pharmacy services and drug regimen review. The participant will be empowered to enhance the care and quality of life for residents in a nursing facility.

Registered Nurses earn 6.25 contact hours upon successful completion of this activity.

7.20 contact hours for LP/VNs,
6.50 clock hours for nursing facility administrators, and
6.50 clock hours for social workers.

Texas Department of Aging and Disability Services, Regulatory Services Division, is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

The National Association for Practical Nurse Education and Services, Inc. has approved this educational offering for the Licensed Vocational Nurses of Texas.
